All weddings are captured using professional quality HD cameras with the option of single or multiple camera shoots. DEP operates with a team of talented and skilled filmmakers who take a creative approach to every video shoot. Our services cover your projects from start to finish.

Our post-production services include full video and audio editing capabilities. DEP also offers complete Blu-Ray & Standard DVD duplication and replication as well as DVD art & packaging creative services. We can create any type of video file needed; including, but not limited to, .WMV, .FLV and .MOV. We also offer courtesy YouTube & Vimeo video file upload to all of our clients as well as uploads to social networking websites. Contact Diamond Entertainment Productions today!
